NAPA VALLEY
2001 Zinfandel
Rated 92 POINTS

Spicy and blunt as old-vine carignane from the hills of Roussillon, this sophisticated zin grows in two hillside vineyards, including Harris near the top of Mt. Vaca at 2,800 feet. Scents of green herbs and red spice ride a wave of black currant fruit. Then it's shut down by the tannin, the round fruit and spicy aromatics remaining in the background, waiting to expand with air or age.
