2010 ZINFANDEL ROSE

NAPA VALLEY

TERROIR

The Zinfandel fruit for our Rosé is sourced from the same vineyards as our Old Vine Zinfandel: Blue Ridge Vineyard, at the peak of Mt. Vaca, in the Southeastern portion of Napa; Godward Vineyard, on the North side of Calistoga, home to century-old Zinfandel vines. Both vineyards are in very warm areas, with daily breezes and cool night air, providing rest for the grapes and recovery of acidity.

VINTAGE

Very clean, fresh and crisp; Lush strawberries with hints of watermelon and rose petals. A wonderful apéritif wine or serve on the patio with lunch or dinner.

WINEMAKING

After de-stemming and crush, the Zinfandel juice was in contact with the skins for a minimal amount of time to obtain the desired color; the lightly-colored juice was then transferred to another stainless steel tank where fermentation continued until 2% residual sugar remained.
